## EXHIBITIONS THE LOOKOUT

# “Lonely Girl”

at Martos,  
through Oct. 26  
540 W. 29th St.

"Lonely Girl," a group show of seven net-savvy female artists under 30, takes its name from Lonelygirl15, a vlog-turned-fictional narrative from the early days of YouTube. The show ends this weekend, so this is your last chance to see how artists who work primarily on the Internet materialize their projects in a gallery space. The closing reception on Friday features performances from artists Hannah Choi and Labanna Babalon, as well as something called Grill Jazz Massagers.
